

## Note from the Principal

Dear Parents,

Thank you very much for your support during our district's first ever "Virtual Day". We had more than 90% of our parents respond in regards to attendance and most of our students completed the assignments. We are calling it a huge success and that is because of you! Our hope is if Oklahoma ever sees snow again this might be an alternative instead of cancelling school.

Our district has launched a free mobile app to provide parents, students and families with the latest news and information. It is designed as a one-stop shop to access school news, calendars, Parent Portal accounts, lunch menus, bus stop information and more. We want to encourage all of our Wolf Creek parents to download this free app. It can be used on Apple or Android devices.

Please note for the 2018-2019 school year (the one we are currently in) we will continue to send our weekly blasts through school messenger. However, for the 2019-2020 school year, we will communicate to our parents using this new app. Why not go ahead and download it and be ready for next year? The lunch menu is a great tool which I personally love.

**Apple:** [Download from iTunes](#)

**Android:** [Download from Google Play](#)

The life skill for the months of February and March is "Expectation". Brian Tracy once said, *"An attitude of positive expectation is the mark of a superior personality."*

The second trimester ends on Friday, February 15. WC is going electronic once again with report cards. Please watch for an email communication from your child's teacher when your child's report card is ready to be viewed on the Home Access Center. If you are having trouble logging in to the Home Access Center, please contact Sarah at the Wolf Creek office, 918-259-4510.

In closing please remember our number one priority at Wolf Creek is to keep our tigers safe. Please use the crosswalks when picking your children up from school in the afternoon. It is extremely unsafe to cross through the car rider lines.

Thank you for your support! We appreciate you all!

## Note from the PTA President

This school year seems to be flying by! It's hard to believe that it's already time to start thinking about next year and electing a new PTA board. The Wolf Creek PTA board is made up of parents working to make the elementary school experience the best it can be for the kids. Along with the work, there is camaraderie, laughter & fun. Many of our treasured board members will have their youngest child in 5th grade and will soon be graduating from elementary school. They have been integral part of the WCPTA board for many years and will be greatly missed. We will need a new board who can build off what has been done in the past & keep growing and moving forward. I ask that you consider taking a spot on the board. There are positions that can be handled at home. There are others that require more work and time spent at the school. I am happy to answer any questions that you may have! Our next meeting is next Friday, February 8 at 9:15 in the cafeteria. I invite you to join us and hope to see you there!
